

CHARADE

(Stanley Donen, 1963, 113 min,
USA, English, 35mm)

"*Charade* presents us with a temporary entry into that brighter place, into the possibility of adventure, the vicarious possession of beauty. Acted by two Europeans in a mythic, dangerous, beguiling Paris, it remains a quintessential Hollywood film."

Michael Newton, *The Guardian*

SPECIAL 35MM SCREENING!
