

Perfect Days

*(Wim Wenders, 2023, 124 min, Japan/Germany,
Japanese with English subtitles, Color, DCP)*

"Wim Wenders returns with a poignant character study and a deeply moving, poetic reflection on finding beauty in the everyday world around us. Radiating charm and embracing all his best work, this unique mix of fiction and ordinary life finds an unusual, poetic angle to guide us: the architectural marvels of some of Tokyo's public toilets. Through Yakusho/Hirayama, Wenders captures the poetry of the everyday with intimacy and stunning simplicity." – Toronto International Film Festival
