(Ryusuke Hamaguchi, 2021, 121 min, DCP)

7PM FRIDAY, MAR 18
RUBENSTEIN ARTS CENTER FILM THEATER

"The geometry of desire is elegantly plotted in 'Wheel of Fortune and Fantasy,' - a wistful, moving, outwardly unassuming movie. It is a perfect entry point into Hamaguchi's work. Both times I watched this movie, I found something to admire, consider, argue with and weep over. Critic's Pick!"
